INTRODUCTION

RISE EMPIRE

Welcome to Rise Empire Limited, Where You're the Star of the Show! Rise Empire specializes in Procurement, Warehouse Management & Yard Operations within the Pipeline and Oil & Gas industry. We've built our reputation on making things simple and paying great attention to detail!

THE STORY BEHIND OUR LOGO

The three panels of our umbrella in our logo aren't just for show, they symbolize the core of our expertise: Procurement, Warehouse Management, and Yard Operations. Chris Gillam handcrafted the Rise Empire logo at his family's kitchen table, using graph paper and a protractor set to blend creativity with purpose. The logo cleverly uses 'I's and the number '1' to form the shaft of the umbrella, symbolizing support, and connection. The letters are arranged in a step-up pattern to represent our commitment to continuous growth and progress. The simple black-and-white design of our logo highlights our appreciation for clarity and simplicity.
